Re: Notice of File Closure for Small Mining Activities, In-Focus Claims, S/027/058 (UTU-072858), Millard County, Utah

Dear Ms. Goff:

This letter is to notify you that file #S/027/058, for the In-Focus Claims project, located in Section 10, T19S, R14W, Millard County, Utah, will be retired from our files.

We received your annual report for 1995 stating that Mr. Harris had passed away and that you wanted to be released from this project. As this project was located on BLM managed lands, we could not release your permit until the BLM closed their case file. The BLM recently inspected the project area and found no surface disturbance related to the notice. The BLM subsequently closed out their file for this project. Because this project is located on BLM managed lands, we will accept the BLM's recommendation and also close our file accordingly.

If, in the future, you wish to perform mining activities in this area, you will have to submit a new notice and receive approval from this Division and the appropriate land management agency. If you have any questions or concerns regarding this letter, please notify me at (801) 538-5321.

Sincerely,

A handwritten signature in black ink, appearing to read 'Tom Munson'.
